FINANCIAL POLICY

We will file to your insurance as a courtesy, with no guarantee of benefits. Due to constant changing insurance regulations, benefits, and deductibles, we are only able to APPROXIMATE what insurance will pay. The benefit given is ESTIMATED. Your insurance company determines actual benefits after the work is done. Your insurance company will send you and "explanation of benefits" explaining payment. Any estimate is subject to all plan provisions including but not limited to, plan maximums, coordination of benefits and current range of reasonable and customary fees. Understand that if insurance does not pay your bill for any reason, you and your spouse will be responsible for payment in full. We allow 660 days from the date of service for insurance to pay.

Our recommendation: Know your dental insurance!

I understand my dental insurance may not cover all/any of the procedures diagnosed by the dentist. I accept full responsibility for the balance NOT paid by the dental insurance company.

- Full payment is due at the time of service.
- We accept cash, checks, Visa, MC, American Express, Discover
- Ask about our payment plan through CareCredit.

Adult patients are responsible for full payment at the time or service. Children must be accompanied by
parent or legal guardian. Parents or guardian are responsible for payment at the time of service.
